Subject: Review of the Advanced Program Survey
Attachments: Advanced Programs Expert Review contract F20.pdf; W9.pdf

Thank you for expressing interest in reviewing the NExT Advanced Program Survey. The intent of this survey is to provide a common set of items that can be used across advanced programs to provide a common point of evaluation for educator preparation programs both for program improvement and accreditation. Advanced Programs can then add on program-specific items to round out the survey.

We are offering a \$50 stipend for your time. If you are interested in receiving the stipend, please complete the two attached documents and return them to Lea.Roberts@ndsu.edu

Please complete the review of the items by October 30th using this link: https://ndstate.co1.qualtrics.com/jfe/form/SV_6MybFG5OQ3pgnAN

Let me know if you have any questions.

Thank you!

Stacy
