### Week 15 Class Session

Posted Apr 21, 2021 8:26 AM

Here is the link to the last class session. Thank you all for a great semester! Don't forget the End of Course survey linked here

In discussions with Dr. Waterbury, the LDRS 699 course will run through August 6. She will work on getting the registrar to update the dates in the schedule. She is hoping to have thesis advisors assigned by the middle of next week.

### End of Course Survey

Posted Apr 19, 2021 10:47 AM

Thanks again for all of your efforts this semester. I would like to ask you to take about 5 minutes to complete a brief end-of-course evaluation. It will remain open until after I turn in grades. It is anonymous and you will not be asked for any identifying information. Of course, you can always provide feedback directly as well.
